how to upgrade

Hard- and Software upgrade from Datacolor ColorFacts Professional™ 1-4 to 7

This option requires the dongle to be returned to us.

The procedure step by step:

- 1) You order the upgrade in our online shop
- 2) You'll receive a Return of Material Authorization number
- 3) You pay the outstanding amount (bank transfer)
- 4) You send the dongle to the address we will mention
- 5) We will send out the new dongle immediately after having received your old one
- 6) You'll receive the dongle within 2-3 days
